

MEMBER SUBSCRIPTION— 2008

The 2008 fee for membership in the South Bay WordPerfect Users Group is \$1.00. This fee covers incidental expenses such as postage and printing. This amount also pays for the cost of being listed in the 2008 edition of our *User Group Resource List*. (You will be included unless you check this box) All members will receive a copy.

The main purpose of the Resource List is to make it easier for you to meet other users and share experiences about making WordPerfect features work with your combination of computer, printer, and other software.

The entries on the form also provide statistics about computer equipment and software that you use. This information helps us in planning meeting topics that will be appropriate to the interests of most members.

Please make your check payable to Tom Wilson. Mail this form and your check for \$1 to the following address (or bring to the next meeting):

Tom Wilson
